Investing in Burnham:

- *leaving a gift in your will*
- *making a donation*

The purpose of The Burnham Foundation is:

To support voluntary groups, charities, individuals and community services in Burnham and its surrounding district, especially the growth of volunteering and greater provision of Sports and Arts activities and facilities, both for the disabled and able bodied members of our community.

Whilst The Burnham Foundation is keen for you to offer your financial support and become a member, it is also committed to seeking out guidance and support for anyone starting to think about tackling all those issues associated with the end of one's life.

A message from the trustees

Burnham and its surrounding community is a remarkable place to both live and work in and offers so much for families, the young and the old. Such a blessing does not simply happen – it comes about as a result of the care and commitment shown by many past and current members of our community.

Whereas in the past we could be fairly confident that the younger generations would enjoy a standard of living that was better than their older generations, it would look as if that expectation will not be a reality in the short to mid-term in the future.

It would, therefore, seem appropriate for all of us who care about Burnham and its future to consider what they are able to do in order to ensure that Burnham remains as a vibrant, caring and friendly community.

A gift in your will and/or a donation of any size will help Burnham ensure that current and future community members enjoy the same pleasure that you have experienced during your lifetime.

Leaving a gift in your Will

It is simple to include a bequest to The Burnham Foundation at the time of writing or re-writing your will. An appropriate form of words would be :

*To the trustees of The Burnham Foundation,
I give*

And I declare that the receipt of the treasurer or other proper Officer for the time being of The Burnham Foundation shall be a full and sufficient discharge to my Executors for the legacy herein bequeathed to The Burnham Foundation.

You can also amend an existing Will by adding a Codicil. It is advisable to seek legal advice when making any amendments or changes to your Will.

Making a donation - becoming a member

Please contact any of the trustees shown overleaf for a membership and donation form. Alternatively – refer to our website where you can print off the form – www.theburnhamfoundation.org
