

# THE BURNHAM FOUNDATION

---

## The Value of a Regular Donation

As a result of the confidence gained by the knowledge of a steady annual income, The Burnham Foundation will be able to use its funds and local knowledge to :-

(1) Provide vital support to new approaches and projects that aim to further build the sense of community pride within Burnham

(2) Continue to support its existing projects and help them become more capable and sustainable

In addition – by offering to become a regular donor/member – you will receive periodic updates on The Burnham Foundation's progress and be invited to attend its Annual General Meeting.

Your ideas and suggestions as to how both our Burnham community and The Burnham Foundation itself should develop will always be most welcome.
